

A decorative graphic of a rope knot, specifically a reef knot (square knot), rendered in a stylized, high-contrast black and white line art style. The knot is centered horizontally and features a complex, symmetrical pattern of interlocking loops and strands. The rope itself is depicted with a series of parallel lines to suggest texture and three-dimensional form. The knot is flanked by short segments of rope that end in small, rounded, ball-like shapes, giving it the appearance of a finished nautical or decorative element.
